Dear Friends

Good News ..... we are reopening the church doors on Sunday 20<sup>th</sup> September for a service at 10.45am.

It has been quite a journey to get this far but thanks to the hard work of a small team the risk assessment is done and this will continue to be reviewed and revised.

We will be producing a service sheet so whether you are in your own home or have decided you are able to join us in the church building you can be part of the service.

So what can you expect? A warm welcome, familiar faces and a smile.

Together we will praise and worship God.

Yes, we all need to wear a face cover, stay socially distanced in your seat but we will be there because we want to be.

Our prayer is that we all have hearts that are open to hear God speaking to us that we might know such love that changes and transforms us.

We look forward to welcoming you on Sunday 20<sup>th</sup> September at 10.45am. If things change we will inform you.

With every blessing,

*Rev Janet and Deacon Gail*

Many of you have faithfully donated food to 'Walking With.' With all the restrictions over these last months they have only been accepting cash donations. However, they are now able to accept food donations again. If you feel able to support in this way Deacon Gail will collect from you at home on a Monday. Please will you contact Susan Bewley who is coordinating our food donation outreach on 234 2725 and she will arrange your collection.

*God of our lives, you are always calling us to follow you into the future, inviting us to new ventures, new challenges, new ways to care, new ways to touch the hearts of all.*

*When we are faithful of the unknown, give us courage. When we worry that we are not up to the task, remind us that you would not call us if you did not believe in us.*

*When we get tired, or feel disappointed with the way things are going, remind us that you can bring change and hope out of the most difficult situations.*
